

Tim

I've just finished ExoPsy - for the second time thru. Should provide the vocabulary & guide here for a good length of time. Beautiful.

Enclosed is a short article that it feels like it's time to circulate a little. If you can give me a steer as to where to send it or if you've got a contact - any way it seems best. Please note the concept of interference patterns above the speed of light.

DNA - RNA helical - seems to tie in with the vortical theory

of Pat Flanagan in step 8 of Pyramid Power.
Starsee Press says 1977 for Perceval
Table of Elements book - do you have a
manuscript or excerpt section on the
mathematical patterns you may see (I don't
know author-publisher-reader tech. game
rules here. I hope I have not asked
an embarrassing question.)

If Twelfth Planet is correct there
seems to be a suggestion that technical
information was left & eventually corrupted.
The ancient Tibetan texts might be
some quantum data & procedures. Tending^(?)
(+ Nam have received your greetings thru Nina
I heard yesterday & are anxious to read
Exo. Psych - diminishing animosity etc.)
is heavily into translations of some sort
& I hope he goes far enough.

Shine On
